SCAM ALERT

Our pastor will never text you asking for gift cards.

Scammers send texts and emails that use a pastor's name to ask for gift cards, money or logins. Churches and police in several states have warned about it, and it can reach anyone in a congregation.

HOW TO SPOT IT

- A new or unknown number
- "I need this today"
- "Keep this between us"
- Gift cards, cash or a login

IF YOU GET ONE

1. **Don't reply, and don't click any links.**
2. **Call the church on a number you already have.**
   Not the number in the message.
3. **Report it at ic3.gov.**
   The FBI's Internet Crime Complaint Center.
4. **Tell the church office so we can warn others.**
